Greetings,

Oncor Electric Delivery is requesting permission to construct electric distribution facilities along County Road 4580.

Construction prints are attached and all facilities meet clearance requirements of 22 ft.

Scope of Work: Replace an existing pole on the East side of CR 4580, bring primary across, set a new pole South of existing pole, run primary to new pole location and set transformer and run overhead service to customer meter pole.

Should you need anything further, please do not hesitate to contact me.

Best regards,
